

## ES Mark Certification Scheme

This ES Mark Certification Scheme provides an independent third certification that ensure products meet the safety standards, performance standards or both requirements.

All suppliers and manufacturers who manufacture the products and conform to relevant standards may apply for the ES Mark. To find out the certification status of a known COC number not found in the list below, please send us your enquiry [sgp-sgp.electrical@intertek.com](mailto:sgp-sgp.electrical@intertek.com).

Below is a listing of products enlisted in ES Mark Certification Scheme:
