

RULES FOR THE USE OF THE “EIAC” ACCREDITATION SYMBOL BY CERTIFIED CLIENTS OF INTERTEK

1. Applicable rules:

- The certified clients of Intertek International Ltd., Dubai, United Arab Emirates (herein after called Intertek) shall always use EIAC Accreditation Symbol in conjunction with the logo of the certification body as shown in Figure – 1 (herein after called the combo mark or mark).

Figure - 1

- The combo mark shall be displayed and used only in the appropriate form, and color detailed in this publication, as provided by Intertek. The certified client Intertek is entitled to enlarge it, if necessary, provided that the original proportion between the height and width of the mark is maintained and it is legible.
- The EIAC Accreditation Symbol shall not appear in a size that makes the EIAC name unreadable, except on business cards. The minimum size for reproducing the logo in print has been specified at 25mm wide and 11mm height; while for web as 100 pixels.
- The Intertek’s accreditation number is part of the combo mark and cannot be removed.
- Following is the color scheme of EIAC accreditation symbol:
 - For Red color: Red: 229, Green: 26, Blue: 52
 - For Green color: Red: 0, Green: 117, Blue: 101
 - For Blue color: Red: 0, Green: 11, Blue: 140
 - For Gold color: Red: 134, Green: 112, Blue: 77
 - For Grey color (font color): Red: 118, Green: 119, Blue: 122
- The EIAC Accreditation Symbol in black and white is only accepted on photocopies.
- The embossed or die-stamped versions of combo mark are allowed by respecting the color scheme given above.
- The combo mark shall only be used in its normal horizontal orientation. The mark shall not be rotated, distorted, compressed or stretched in any way.
- The mark shall not be used on a background that will impede readability.
- The combo mark shall not be used in such a way as to state, imply or suggest that Intertek and/or EIAC accepts responsibility of any of the statement of conformity/approval.
- The mark does not imply any certification/approval of the products tested, inspected, or certified.
- The certified clients of Intertek International Ltd, Dubai, United Arab Emirates are not allowed to use IAF MLA Mark or Accredited Combined IAF MLA Mark.
