Rules for the use of the IECQ Logo

1- Reference document: IECQ 01A Edition 2.0 2013-05

- 2- A Certified organization may use the IECQ accreditation symbol only in conjunction with Intertek's symbol on the organization's stationary and literature, and in its advertising, subject to IECQ's and Intertek's condition for use of our symbol.
- 3- IECQ Logo appearance
 - 1) The IECQ Logo may be used for photographic reproduction.
 - 2) The color of the IECQ Logo is Pantone Blue 286. Use of black with white background is permitted.
 - 3) The IECQ Logo may be enlarged or reduced arbitrarily in the same form and ratio, provided that the letters remain well legible, however, not smaller than 6X13mm and have a minimum IEC Logo text size of 2.5 mm in height, unless otherwise specifically allowed for in the individual IECQ Scheme Rules of Procedure.
- 4- Where may the IECQ Logo be used

The IECQ Logo may be used on or with the following provided that there is no inference that components, assemblies, processes and related materials conform to declared technical Standards and Specifications under the IECQ System when they are not:

 - Brochures
 - Websites
 - Business cards
 - Letterheads
 - Formal reports, reports not related to product compliance
 - Training or promotional presentation material

The IECQ Logo shall not be used on IECQ certified components, assemblies, processes and related materials or their packaging, unless specifically allowed for in the relevant IECQ Scheme.
