

USE OF NABCB ACCREDITATION MARK

Document #: F205-1-NABCB

Release Date: 24 March 2023

Page 1 of 3

Purpose

The purpose of this document is to ensure proper use of NABCB Accreditation Mark by certified clients.

Scope

• The referenced documents provide the rules governing the use of Accreditation body & IAF marks (see section 1 and 2 below)

Responsibility

- Certified clients shall comply with the directives provided in this document
- Intertek auditors are responsible for verifying, at each visit, that certified clients uses the Accreditation mark as per the directives provided in this document
- The Director Technical\Accreditation Manager is responsible for the enforcement of the directives provided in this document

Process

Section 1: Use of NABCB Accreditation Mark

Note: This Procedure is prepared based on the Guidance Document: "Conditions for use of NABCB Accreditation Mark, IAF MLA Mark and ILAC MRA Mark - BCB 202 / Feb 2019".

The below rules cover the use of the NABCB Mark:

- A certified client shall use the NABCB accreditation mark only in conjunction with the Intertek Certification mark on the supplier's stationery and literature.
- The use of this mark by the certified organizations will be under the control and supervision of Intertek
- The NABCB accreditation mark shall be reproduced in the proportions and the colours indicated in the Appendix 'A'.
- The size of the logo shall not normally be reduced below the size 15x12mm. In the event of reproduction in smaller size owing to limitation of space, the mark shall be legible with no infilling of space and letters. The logo shall be reproduced based on the master supplied by Intertek.
- The certified client shall not place the NABCB accreditation mark in isolation from the Intertek Certification mark.
- The mark shall only be printed in the colour combination or in the grey-black combination as specified in the Appendix 'A'.
- Neither the Intertek's Certification mark nor the NABCB's mark shall be used on the packaging of a
 product, labels, publicity material, written announcements, buildings and flags, visiting cards, test/analysis
 reports, etc. that in any way suggests that the Intertek or NABCB have certified or approved any product,
 process or services of the certified client
- The Mark shall not be displayed on buildings and flags.
- The Mark shall not be displayed on vehicles except in publicity material like part of a large advertisement.
- The Mark shall not be used on the visiting cards.

USE OF NABCB ACCREDITATION MARK

 In case the Mark is being used by a certified client contrary to the conditions specified, then Intertek India shall take reasonable action and advise the certified client organization for corrective action. In situations of repeated contraventions, the certification body may withdraw the certification.

2.0 Use of IAF Mark:

Intertek's clients are not allowed to use the IAF Mark.

For further information please do not hesitate to contact Ms. Srisathya B., Accreditation Manager at: srisathya.balasubramanian@intertek.com.

3.0 Misuse

Intertek will ensure that the accreditation mark is used only in strict accordance with these requirements at each surveillance visit. In the event of misuse, the client's registration will be placed in jeopardy. Unless appropriate corrective action to rectify the misuse is taken within a period agreed to by the client and Intertek, the registration shall be suspended.

Incorrect reference to the Accreditation Mark, or misleading use of certificates found in advertisements, catalogs, etc. shall be dealt with by suitable action. This could include corrective action, publication of the transgression, and if necessary, legal action.

In situations of repeated contraventions by certified organization, Intertek may withdraw the certification.

4.0 Action on Withdrawal / Termination or Non-Renewal

Upon withdrawal / termination or Non-renewal of its certification, the client shall discontinue its use of all advertising material that contains a reference to certification, and take actions as required by the certification scheme and any other required measures as directed by Intertek.
