

The background of the entire page is a photograph of a wooden surface. In the foreground, there is a large pile of white sugar crystals. A wooden scoop is resting on the sugar, filled with more crystals. Behind the scoop, a burlap sack is also filled with sugar. The Intertek logo is in the top right corner, and a large yellow circle is on the left side containing the main text.

intertek

Total Quality. Assured.

TOTAL PEACE OF MIND FOR THE SUGAR TRADE

HELPING YOU MITIGATE RISK AT EVERY
STAGE OF THE SUGAR INDUSTRY VALUE
CHAIN, AS YOU BUILD BACK EVER BETTER

TOTAL PEACE OF MIND FOR THE SUGAR TRADE

With a strong network of in-house sugar laboratories, Intertek provides customers with immediate access to reliable quality and sanitary information for all types of sugar and sugar by-products.

Intertek's end-to-end Risk-Based Quality Assurance services provide a global solution to our customers, helping them to identify and mitigate risk across the increasingly complex sugar industry value chain from farm to consumer. Our global network of sugar-specialised laboratories is equipped to provide complete analysis of sugar and sugar by-products according to universal ICUMSA methods, as well as other contracted national and international standards. Our full range of sugar and sugar by-product inspection services include quantity, weight and quality supervision, pre-shipment inspections and loading and discharge supervision, in addition to an extensive portfolio of risk management services.
