NOTICE OF 2022 ANNUAL GENERAL MEETING ('AGM')

18 March 2022

Dear shareholder

INTRODUCTION

The 2022 AGM will be held in the Marlborough Theatre, No. 11 Cavendish Square, London W1G 0AN at 9.00 a.m. on Wednesday, 25 May 2022.

AGM arrangements

Our preference is to welcome shareholders in person to our 2022 AGM, and we are currently proposing to hold a physical AGM at the Marlborough Theatre, No. 11 Cavendish Square, London W1G 0AN.

The AGM will be held in accordance with Government Covid-19 guidelines and in order to minimise public health risks, guests will not be permitted to attend the AGM (with the exception of carers of shareholders), refreshments will not be served before or after the AGM and Directors will not be available to circulate with shareholders following the AGM.

In order to reduce the risks associated with Covid-19, attendees will be required to comply with any health and safety measures imposed at the AGM venue, any further instructions from the Company and the Government guidance in force on the day of the AGM. Please check our website at www.intertek.com/investors/agm/2022 for further details and updates.

We want to ensure the maximum shareholder engagement and we intend to broadcast the AGM through Microsoft Teams, so there will be an opportunity for shareholders to watch the AGM and ask questions during the meeting even if they are unable to attend in person. Shareholders intending to attend the AGM in person, or to participate via Microsoft Teams, are asked to register their intention as soon as practicable by completing the simple form located on the 2022 AGM page of our website at www.intertek.com/investors/agm/2022. For shareholders wishing to participate via Microsoft Teams, details of how to access the AGM will then be provided. For shareholders wishing to attend in person, registration will assist us in planning and implementing arrangements for this year's AGM in light of the continuing Covid-19 pandemic.

The AGM is an important opportunity for the Board to engage with our shareholders and your vote is, as always, very important to us. I would urge you to vote on each of the resolutions set out in this Notice and details of how to do so are included in the notes to this Notice of Meeting and the accompanying Proxy Form. Given the

continuing uncertainty caused by the pandemic, I would encourage you to appoint the Chairman of the Meeting as your proxy with voting instructions. Appointing a proxy will not prevent you from attending the meeting and voting in person if you so wish, Government guidelines permitting. Voting at the AGM will be on a poll, reflecting all proxy voting instructions duly received. Those participating in the AGM virtually via Microsoft Teams will not have the ability to vote during the meeting.

We are keen to hear all your views, and to answer your questions on the business of the AGM either in person at the AGM or through Microsoft Teams. You can also submit your questions relating to the business of the meeting in advance by emailing us at investor@intertek.com or sending questions to the Group Company Secretary, Intertek Group plc, 33 Cavendish Square, London W1G 0PS, as soon as possible and before the close of business on 24 May 2022. If you wish to receive a response before the deadline for appointing proxies so that you can make a fully informed voting decision, please submit your question by the close of business on 19 May 2022. Please include your full name and your Shareholder Reference Number in your email or letter. We will provide answers to all pre-submitted questions by responding directly to the shareholder who has raised a question.

We will continue to monitor the Government's Covid-19 guidance closely and may need to make adjustments to how the AGM is conducted. The health of our shareholders, colleagues and the wider community is of paramount importance to us. We will provide information on our website at www.intertek.com/investors/agm/2022 regarding any changes to the AGM arrangements, and we encourage you to check regularly for updates.

Explanatory Notes to the AGM Resolutions

This letter is to give you further information about the business to be conducted at the AGM and the resolutions to be proposed.

The formal Notice of AGM is set out on pages 8 and 9 of this document.

A copy of the Company's 2021 Annual Report and Accounts accompanies this Notice of AGM and is available on our website at www.intertek.com/investors.

Resolutions 1 to 16 will be proposed as Ordinary Resolutions. Resolutions 17 to 20 will be proposed as Special Resolutions.

ORDINARY RESOLUTIONS

Resolution 1 – Annual Report and Accounts for the year ended 31 December 2021

Resolution 1 will be the consideration of the 2021 Annual Report and Accounts (being the audited financial statements for the year ended 31 December 2021, the Strategic report and the Directors' and Auditors' reports).

Resolution 2 – Directors' Remuneration report

In accordance with the Companies Act 2006 (the 'Act'), listed companies are required to prepare a Directors' Remuneration report which must be approved by the shareholders of the Company. The Directors' Remuneration report provides details of the payments made to Directors during the year ended 31 December 2021. Resolution 2 is a resolution to approve the Directors' Remuneration report for the financial year ended 31 December 2021, as set out on pages 136 to 162 of the 2021 Annual Report and Accounts (excluding the Directors' Remuneration Policy which is on pages 138 to 144).

Shareholders should note that this vote is advisory only and the Directors' entitlement to remuneration is not conditional upon it.

The Remuneration Policy presented to the Annual General Meeting in 2021 received a vote against which was greater than 20% of votes cast. Details of the shareholder feedback and the Company's response to this is included in the letter from the Chair of the Remuneration Committee in the 2021 Annual Report and Accounts on page 136.

Resolution 3 – Payment of a final dividend

Resolution 3 is a resolution for the approval of the payment of a final dividend of 71.6p per ordinary share to shareholders whose names appear on the Register at the close of business on 27 May 2022. If approved, the final dividend will become payable on 17 June 2022.

Annual re-election of Directors

In line with the recommendations set out in the 2018 UK Corporate Governance Code, all Directors who wish to continue to serve will be subject to re-election. The Directors standing for re-election are listed in Resolutions 4 to 12 on the following pages.

The Board, having completed formal performance evaluations, believes that each Director standing for re-election has considerable and extensive experience in the different regions and sectors in which the Group operates. This experience, together with the insights they each provide as a Board Director, is invaluable to the Company.

Information on the skills, experience and contribution to the Board of each Director standing for re-election is set out within each resolution re-electing the Director. It is the Board's view that this information illustrates the specific reasons why each Director's contribution is, and continues to be, important to the Company's long-term sustainable success. It is therefore recommended that each of the Directors be re-elected by shareholders.

Length of service at the AGM: 5 years.

Resolution 13 - Reappointment of Auditor

Under Resolution 13 it is proposed that PricewaterhouseCoopers LLP be reappointed as Auditor for the coming year, following the recommendation of the Audit Committee.

Resolution 14 - Remuneration of Auditor

Under Resolution 14 it is proposed that the Audit Committee, for and on behalf of the Board, be authorised to determine the Auditor's remuneration.

Resolution 15 - Directors' authority to allot Relevant Securities

Resolution 15 renews a similar authority given at last year's AGM and is in two parts: part (a) and part (b).

Part (a) of Resolution 15 will give the Directors authority to allot Relevant Securities (as defined in the resolution) up to an aggregate nominal amount of £537,977. This amount represents approximately one-third (33.33%) of the nominal amount of the issued share capital of the Company as at 10 March 2022 (being the latest practicable date prior to publication of this Notice of AGM). This limit is in line with the Investment Association Share Capital Management Guidelines (the 'Guidelines').

In addition, and also in line with the Guidelines, part (b) of Resolution 15 will give the Directors further authority to allot equity securities, up to an aggregate nominal amount of £537,977, provided that this additional authority is used only for fully pre-emptive rights issues. This amount represents approximately one-third (33.33%) of the nominal amount of the issued share capital of the Company as at 10 March 2022 (being the latest practicable date prior to publication of this Notice of AGM).

The maximum nominal value of securities which could be allotted if the authority in both part (a) and part (b) of Resolution 15 were used would be £1,075,954, which represents approximately two-thirds (66.66%) of the nominal amount of the issued share capital of the Company as at 10 March 2022 (being the latest practicable date prior to publication of this Notice of AGM).

If given, this authority will expire at the conclusion of the next AGM of the Company or, if earlier, at the close of business on 30 June 2023.

The Directors have no present intention of exercising this authority but consider it desirable that they should have the flexibility to issue shares, from time to time, to enable the Company to take advantage of general business opportunities as they arise.

The Company currently holds no shares in treasury.

Resolution 16 - Donations to political organisations and political expenditure

Resolution 16 renews a similar authority given at last year's AGM.

The Companies Act 2006 (the 'Act') prohibits companies from making donations to UK political organisations or incurring any political expenditure unless authorised by shareholders in advance. The Company's policy is that it does not, directly or through any subsidiary, make what are commonly regarded as donations to any political party. However, the legislation includes a wide definition of what constitutes political donations and expenditure: sponsorship, subscriptions, payment of expenses, paid leave for employees fulfilling public duties and support for bodies representing the business community in policy review may fall within this. Accordingly, we are seeking shareholder approval on a precautionary basis to allow the Company, and its subsidiaries, to continue to support the community and put forward views to wider business and government interests without running the risk of being in breach of the law. The authority in Resolution 16 will cap political spending at £90,000 in aggregate and will be within the terms prescribed by the Act.

SPECIAL RESOLUTIONS

Resolution 17 – General disapplication of pre-emption rights

Resolution 17 will be proposed as a Special Resolution and, if approved, will authorise the Directors, in line with institutional shareholder guidelines, to allot equity securities or sell treasury shares for cash without first being required to offer such shares to existing shareholders. If approved, the resolution will authorise the Directors to issue shares in connection with a rights issue or other pre-emptive offer and otherwise to issue shares for cash up to a maximum nominal amount of £80,696, which represents approximately 5% of the issued share capital of the Company as at 10 March 2022 (being the latest practicable date prior to publication of this Notice of AGM).

The Directors do not intend to issue more than 7.5% of the issued share capital of the Company for cash on a non-pre-emptive basis in any rolling three-year period (other than in connection with an acquisition or specified capital investment as described in the Pre-Emption Group's 2015 Statement of Principles, ('Statement of Principles')) without prior consultation with shareholders.

If approved, this authority will expire at the conclusion of the next AGM of the Company or, if earlier, at the close of business on 30 June 2023.

Resolution 18 – Additional disapplication of pre-emption rights

Resolution 18 requests further shareholder approval, by way of a separate Special Resolution in line with the guidance issued by the Pre-Emption Group, for the Directors to allot equity securities or sell treasury shares for cash without first being required to offer such securities to existing shareholders. The proposed resolution reflects the Statement of Principles.

The authority granted by this resolution, if passed:

- (a) will be limited to the allotment of equity securities and sale of treasury shares for cash up to an aggregate nominal value of £80,696, which represents approximately 5% of the issued share capital of the Company as at 10 March 2022 (being the latest practicable date prior to publication of this Notice of AGM); and
- (b) will only be used in connection with an acquisition or other capital investment of a kind contemplated by the Statement of Principles, and which is announced contemporaneously with the allotment, or has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authority granted by this resolution would be in addition to the general authority to disapply pre-emption rights under Resolution 17. The maximum nominal value of equity securities which could be allotted if both authorities were used would be £161,392, which represents approximately 10% of the issued share capital of the Company as at 10 March 2022 (being the latest practicable date prior to publication of this Notice of AGM).

If approved, this authority will expire at the conclusion of the next AGM of the Company or, if earlier, at the close of business on 30 June 2023.

Resolution 19 – Directors' authority to make market purchases of own shares

At the AGM held in May 2021, a Special Resolution was passed empowering the Directors to purchase the Company's shares in the market. Resolution 19 will be proposed as a Special Resolution to renew this authority. The maximum number of shares which may be purchased under the proposed authority will be 16,139,312 shares, representing approximately 10% of the ordinary share capital of the Company as at 10 March 2022. The price paid for shares (exclusive of expenses) must be:

- (a) not less than the nominal value of 1p per share; and
- (b) not more than the highest of:
 - (i) an amount equal to 5% above the average of the middle-market quotations of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days preceding the day on which the shares are purchased; and
 - (ii) the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share at the trading venue where the purchase is carried out.

The power given by this resolution will be exercised only if the Directors are satisfied that any purchase will increase the earnings per share of the ordinary share capital in issue after the purchase and that the purchase is in the interests of shareholders.

The Directors will also give careful consideration to the gearing levels and general financial position of the Company prior to any decision to purchase. The purchase price would be paid out of distributable profits.

The Company is permitted either to cancel shares it has purchased or hold them in treasury. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options or awards under share incentive plans. The Company is not entitled to exercise any rights, including the right to attend and vote at meetings, in respect of treasury shares. In addition, no dividend or other distribution of the Company's assets may be made to the Company in respect of such shares.

The Directors believe that holding shares in treasury may provide the Company with greater flexibility in the management of its share capital.

Where treasury shares are used to satisfy share options or awards, they will be classed as new issue shares for the purpose of the 10% limit on the number of shares that may be issued over a ten-year period under the Company's relevant share plan rules. The Board will also have regard to any guidelines issued by investor groups which may be in force at the time of any purchase, holding or resale of treasury shares.

The total number of share incentive awards that were outstanding as at 10 March 2022 was 1,199,181. The proportion of issued share capital that they represented at that time was 0.74% and the proportion of issued share capital that they will represent if the full authority to purchase shares (both the existing authority and that being sought) is used is 0.93%. No share options were outstanding as at 10 March 2022.

If passed, Resolution 19 will provide the Company with the necessary authority to make market purchases until the conclusion of the next AGM of the Company or, if earlier, at the close of business on 30 June 2023.

It is the present intention of the Directors to seek to renew the authority annually.

Resolution 20 - Notice period for general meetings

In accordance with the Directors' intention to seek renewal annually, it is proposed in Resolution 20 to grant the Directors authority to convene general meetings, other than AGMs, on 14 clear days' notice.

The authority will be effective until the Company's next AGM, when it is intended that the approval will again be renewed. It is not intended that the shorter notice period would be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The Company will also ensure that appropriate arrangements for electronic voting are in place before the Directors convene a general meeting on 14 clear days' notice.

Recommendations

Your Directors believe that all the proposals to be considered at the AGM are in the best interests of the Company and the shareholders as a whole and, accordingly, your Directors recommend shareholders vote in favour of each of the resolutions.

Action to be taken

A Proxy Form has been provided to enable you to vote in respect of each of the resolutions, if you are unable to attend the AGM in person. Please refer to the Proxy Form for further details. As explained on page 1 (under 'AGM arrangements'), we encourage you to appoint the Chairman of the Meeting as your proxy, with voting instructions. The lodging of a Proxy Form does not preclude you from subsequently attending and voting at the AGM in person if you so wish (Government guidelines permitting). Shareholders participating via Microsoft Teams will not be able to vote during the meeting.

You are requested to complete the Proxy Form and return it to our Registrar, EQ (Equiniti), at the address shown in note 4 on page 10, as soon as possible and in any event so as to be received not later than 48 hours before the time of the AGM.

Shareholders may, if they so wish, register the appointment of a proxy electronically by logging on to EQ's website at www.sharevote.co.uk, using the Voting ID, Task ID and Shareholder Reference Number shown on the Proxy Form or alternatively, if shareholders have already registered with the Company's Registrar's online portfolio service, Shareview, they can submit their Proxy Form at www.shareview.co.uk using their usual user ID and password. Full instructions are given on both websites. CREST members who wish to appoint a proxy or proxies through the CREST Electronic Proxy Appointment Service may do so using the procedures described in the CREST Manual (further details of which can be found in the notes to the Notice of AGM). The deadline for the receipt of all proxy appointments is 48 hours before the time of the AGM.

Yours faithfully

Andrew Martin
Chairman

15. THAT pursuant to section 551 of the Companies Act 2006 (the 'Act') the Directors be and are generally and unconditionally authorised to exercise all powers of the Company to allot Relevant Securities:
 - (a) up to an aggregate nominal amount of £537,977; and
 - (b) up to a further aggregate nominal amount of £537,977 in a Pre-Emptive Offer provided that: (i) they are equity securities (as defined in section 560(1) of the Act); and (ii) they are allotted in connection with a Rights Issue.

For the purposes of this resolution, a 'Pre-Emptive Offer' means an offer:

- (i) to holders of ordinary shares in the capital of the Company in proportion (as nearly as practicable) to the respective numbers of ordinary shares held by them; and
- (ii) to holders of other equity securities in the capital of the Company, as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary,

Unless previously revoked, varied or renewed, these authorities shall expire at the conclusion of the next AGM of the Company after the passing of this resolution or, if earlier, at the close of business on 30 June 2023, save that, in each case, the Company may make an offer or agreement before the authority expires which would or might require Relevant Securities to be allotted after the authority expires and the Directors may allot Relevant Securities pursuant to any such offer or agreement as if the authority had not expired.

In this resolution, 'Relevant Securities' means shares in the Company, or rights to subscribe for or to convert any security into shares in the Company; a reference to the allotment of Relevant Securities includes the grant of such rights; and a reference to the nominal amount of a Relevant Security is, in the case of a right to subscribe for or to convert any security into shares in the Company, a reference to the nominal amount of the shares which may be allotted pursuant to that right.

These authorities are in substitution for all existing authorities under section 551 of the Act (which to the extent unused at the date of this resolution are revoked with immediate effect).

16. THAT pursuant to section 366 of the Companies Act 2006 (the 'Act'), the Company and all companies that are subsidiaries of the Company at any time during the period for which this resolution shall have effect, be and are hereby authorised, in aggregate:

- (a) to make political donations to political parties and/or independent election candidates not exceeding £20,000 in total;

 - (ii) each of the amounts referred to in this resolution may comprise one or more sums in different currencies which, for the purpose of calculating any such amount, shall be converted at such rate as the Directors may, in their absolute discretion, determine to be appropriate.

Notes

These Notes are subject to the arrangements for attendance and voting at this year's AGM, and for asking questions on the business of the AGM, as described in the Chairman's letter on pages 1 to 7 of this document. Please check the Intertek website for further updates and guidance.

1. Only persons entered on the register of members not later than 6.30 p.m. on Monday, 23 May 2022 are entitled to attend and vote at the meeting or, in the event that the meeting is adjourned, on the register of members not later than 6.30 p.m. on the date which is two working days prior to the reconvened meeting and the number of shares registered in their respective names shall determine the number of votes such persons are entitled to cast at the meeting. Changes to entries in the register of members after 6.30 p.m. on Monday, 23 May 2022 or, in the event that the meeting is adjourned, after 6.30 p.m. two working days prior to the reconvened meeting, shall be disregarded in determining the rights of any person to attend or vote at the meeting. As set out in the Chairman's letter on pages 1 to 7 of this Notice, shareholders are asked to adhere to government advice and restrictions in place at the time.
2. A member entitled to attend and vote at the meeting is entitled to appoint one or more proxies to attend, speak and to vote instead of him. A proxy need not also be a member. A member may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him.

To appoint more than one proxy, you will need to complete a separate Proxy Form in relation to each appointment. Additional Proxy Forms may be obtained by photocopying the Proxy Form or by contacting our Registrar, EQ. As set out in the Chairman's letter on pages 1 to 7 of this Notice, you can appoint the Chairman of the Meeting as your proxy, with voting instructions (depending on any restrictions or other government measures at the time of the AGM, it may not be possible for other named proxies to attend). You can appoint a proxy only using the procedures set out in these notes and the notes to the Proxy Form. The right of a member under section 324 of the Companies Act 2006 (the 'Act') to appoint a proxy does not apply to a person nominated to enjoy information rights under section 146 of the Act.
3. As at 10 March 2022 (being the latest practicable business day prior to the publication of this Notice of AGM) the Company's issued share capital consists of 161,393,127 ordinary shares carrying one vote each. The Company does not hold any shares in treasury, therefore the total voting rights in the Company as at 10 March 2022 are 161,393,127.
4. Proxy Forms should be completed in accordance with the notes thereon and to be valid must be received by our Registrar, EQ, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA not later than 9.00 a.m. on Monday, 23 May 2022 or not later than 48 hours, excluding non-working days, before the time appointed for any adjourned meeting. Shareholders who return a Proxy Form or register the appointment of a proxy electronically will still be able to attend the meeting and vote in person if they so wish noting, however, that as set out in the Chairman's letter on pages 1 to 7 of this Notice, shareholders are asked to adhere to government advice and restrictions in place at the time. You must inform our Registrar, EQ in writing of any termination of the authority of a proxy.

5. Shareholders may, if they so wish, register the appointment of a proxy electronically by logging on to www.sharevote.co.uk using the Voting ID, Task ID and Shareholder Reference Number shown on the Proxy Form. Before appointing a proxy in this way, shareholders are advised to read the terms and conditions relating to the use of this facility (which may be viewed on that website). Alternatively, if shareholders have already registered with the Company's Registrar's online portfolio service, Shareview, they can submit their voting instruction at www.shareview.co.uk using their usual user ID and password. Electronic proxy appointments, and voting instructions via Shareview, must be received by EQ not later than 9.00 a.m. on Monday, 23 May 2022. A Proxy Form lodged electronically will be invalid unless it is lodged at the address specified on the EQ website.
6. Shareholders whose shares are held in uncertificated form through CREST may also register the appointment of a proxy or proxies through the CREST electronic proxy appointment service. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual which can be viewed at www.euroclear.com.

The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by not later than 48 hours before the time appointed for the meeting.

For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
7. CREST members and, where applicable, their CREST sponsors and voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
8. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

9. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that, where more than one representative is appointed, those representatives do not do so in relation to the same shares.
10. You may not use any electronic address provided either in this Notice of AGM or any related documents (including the Proxy Form) to communicate with the Company for any purposes other than those expressly stated.
11. The Company cannot accept responsibility for loss or damage arising from the opening or use of any emails or attachments from the Company and recommends that shareholders subject all messages to virus checking procedures prior to opening or use. Any electronic communication received by the Company and/or by EQ including the lodgement of an electronic Proxy Form, that is found to contain a computer virus, will not be accepted.
12. Electronic communication facilities are available to all shareholders on equal terms and those who use them will not be disadvantaged in any way.
13. Copies of the following documents are at the registered office of the Company during normal business hours on any business day from the date of this Notice of AGM until the date of the AGM and also at the place of the meeting for 15 minutes prior to and during the AGM until its conclusion:
 - (a) the Executive Directors' service contracts; and
 - (b) the Non-Executive Directors' terms and conditions of appointment.

In view of the ongoing Covid-19 pandemic, we would ask you please to contact us by email at investor@intertek.com if you would like to inspect these documents.

14. Where a copy of this Notice of AGM is being received by a person who has been nominated to enjoy information rights under section 146 of the Act ("nominee"):
 - (a) the nominee may have a right under an agreement between the nominee and the member by whom he was appointed, to be appointed, or to have someone else appointed, as a proxy for the meeting; or
 - (b) if the nominee does not have any such right or does not wish to exercise such right, the nominee may have a right under any such agreement to give instructions to the member as to the exercise of voting rights.

Nominees are reminded that they should contact the registered holder of their shares (and not the Company) on matters relating to their investment in the Company.

15. Shareholders should note that it is possible, pursuant to requests made by shareholders of the Company under section 527 of the Act, that the Company may be required to publish on its website a statement setting out any matter relating to (i) the audit of the Company's accounts (including the Auditor's report and the conduct of the audit) that are to be laid before the AGM or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which accounts were laid, in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on its website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website.

The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on its website.

16. Under section 319A of the Act, the Company must cause to be answered any question relating to the business being dealt with at the meeting put by a member attending the meeting unless: (a) answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered. Please refer to the Chairman's letter on pages 1 to 7 of this Notice for information on how to ask a question in advance on the business of the AGM.
17. Under section 338 and 338A of the Act, members meeting the threshold requirements in those sections have the right to require the Company (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise); (b) it is defamatory of any person; or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authenticated by the person or persons making it, must be received by the Company no later than six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
18. Where the company is a traded company, members have the right to request information to enable them to determine that their vote was validly recorded and counted. If you wish to receive this information please contact our Registrar, EQ on 0371 384 2126 if calling from the UK or +44 121 415 7047 if calling from overseas. Lines are open from 8.30 a.m. to 5.30 p.m. Monday to Friday, excluding bank holidays in England and Wales. Alternatively, you can write to EQ, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA.
19. The time, date and location of the AGM may also be found on our website at www.intertek.com together with the information required to be published in advance of the meeting pursuant to section 311(A) of the Act and any update on arrangements as a result of any government advice and restrictions.
20. All resolutions will be put to vote on a poll. This will result in a more accurate reflection of the views of shareholders by ensuring that every vote is recognised. On a poll, each shareholder has one vote for every share held.
21. Shareholders wishing to access the meeting using Microsoft Teams should register their interest as set out in the AGM arrangements section on page 1 and further instructions on how to participate will be provided to you.
